

School – Based Oral Health Program

Mary Pat Burgess RDH, MBA

AACDP – Session 4

Planning for Successful Programs

May 13, 2020

School – Based Oral Health

Program Description

- Established in 2000
- The School – Based Oral Health Program (SBOHP) provides prevention oral health services on-site for students in the Chicago Public Schools
- Grades Served Annually – Pre-K -12th Grade
- Illinois mandates dental exam for Kindergarten, 2nd, 6th and 9th grades
- Program regulates a Quality Assurance Program in the Schools
- Developed a Referral Network / Case Management System

School – Based Oral Health Finances

- SBOHP is financed through the Chicago Department of Public Health Budget
- Illinois Department of Public Health- Oral Health Division Dental Sealant Grant
- Administration Fee
- Medicaid billing & payment to dental providers for oral health services
 - Illinois ranks in the lower 30% for Medicaid reimbursement for Children

School – Based Oral Health

Chicago Public Schools

- CDPH – Administrator of Oral Health Services in CPS
- Inter-Governmental Agreement – IGA between City of Chicago and Chicago Public Schools
- 523 Schools (SY 2019 – 2020)
 - 40% or higher Medicaid Enrollment assigned an oral health provider
- ~ 360,000 Students – Attendance in CPS in SY 2019 - 2020

School – Based Oral Health

Data Collection / Tracking

- Student data collected and stored in a data base developed by the City of Chicago's IT
- SBOHP Database maintains student data covering services since 2007
- Since the SBOHP began over 1.2 million students have received oral healthcare in the Chicago Public Schools (CPS)
